This two-story frame house is built in an L-shape, with one section projecting at the front. Each elevation of each section consists of a single bay. A one-story porch fills in the "L" at the facade. A kitchen addition completes the plan. All sections are covered with gable roofs.

Two over two sash windows framed in plain flat boards light the house. It is heated by a central brick stove-flue chimney. The porch features round tapered posts and a plain balustrade. The north facade's entrance is topped by a transom. Asbestos shingles cover the walls.
